Dimensions CRM

We are excited to offer our WebRTC softphone option free of charge with every new CRM subscription activated between March 1, 2023, to May 31, 2023 (inclusive).

Dimensions WebRTC softphone offers a powerful All-in-One solution for CRM users. Easy to use and simple to deploy, it's all you need to be as productive and efficient as possible, no need for a physical phone or another phone app. Whether in the office or working from home, Dimensions CRM plug-in with softphone empowers customer service teams with the call data they need, and all the call handling features they want, conveniently at their fingertips.
